

An alternative format for a new train service timetable

A further experiment with data formatting - proposed train departures from Melksham (and arrival to Melksham) on Monday December 9th; data from First Great Western website.

Do you find this more readable than the previous one? ... I can try background colouring alternate columns ...

To see these full width - see [\[here\]](#).

Outbound from Melksham

Melksham (d.)	06:38	07:20	07:48	09:15	10:04	11:13	12:03	13:13	14:30	15:53	16:31	18:03	18:48	19:17	19:47	20:38
